STATOTHR
Mr. Eugene Holman

Dear Gene:

I want to let you know that I received and read with interest the information that you were so thoughtful as to send me. Many thanks.

This is a subject which some of my people have been following for some time so I am sending it on to them for information and further study.

I find that my trip to New York has to be postponed from January 5 to January 8. I fear, from my recollection of your telephone call, that you will be away then, but I shall try to arrange by phone a time to get together.

Best wishes for the holiday season.

Sincerely,

Allen W. Dulles
